Hi Andrew-

I've attached a PDF with the covers for the draft WLL CD Index Folders. Please let me know of any comments.

I've also attached two of the CD Index Folders as examples of how they will look. The covers and back CD page will be laminated. The laminated CD pages will have clear adhesive CD pockets to hold the CDs. The labels will be visible through the CD pockets to help identify which CD goes with which report.

Please let me know of any comments or questions, thanks!.

Thanks!
